HP workstations

A workstation is the fastest, most expandable, and most reliable computer available. It is designed to meet the demands of professionals, who work with large and complex datasets and intricate 3D models. HP Workstations set the standard for innovation, performance and reliability.

HP recommends Windows.

Product image may differ from actual product.

Outperforming our competition, so you can outperform yours

Customer-inspired innovation

- New customer-centric technologies
- Breakthrough industrial design
- Environmental leadership
- Value throughout the lifecycle

Industry-leading performance

- The latest processors, graphics, memory, storage
- On-board performance monitoring and tuning
- High-performance remote desktop access to applications

HP Z820 Workstation

Built for high-end computing and visualization. The dual-processor HP Z820 Workstation delivers outstanding performance, award-winning industrial design,¹ and tool-free serviceability in the industry's most expandable chassis. With next generation Intel® Xeon® processors, support for up to 16 processing cores, and the latest professional graphics, you'll tackle even the most demanding projects like never before.

HP Z620 Workstation

More versatile than ever before. With up to 16 discrete processor cores, the HP Z620 Workstation packs a ton of computing and visualization power into a quiet, compact footprint. This dual-socket system helps you boost productivity with next-generation Intel® Xeon® processors and support for up to 8 displays.

HP Z420 Workstation

Performance you want. Value you need. The HP Z420 gives you professional expandability in an accessible tool-free mini-tower form factor — all at a great price. With up to 8 discrete processing cores, the latest processing and I/O power from Intel®, and the latest graphics technology from leading graphics providers, the HP Z420 has the power you need to get the job done.

HP Z230 Tower Workstation

Affordable performance and flexibility, re-defined. Create a totally immersive work environment for those who demand reliability and performance on a budget. Designed for heavy 24 x 7 x 365 workloads, the HP Z230 delivers next-generation processor and graphics technologies in a redesigned, compact yet impressively expandable tower.

HP Z230 Small Form Factor Workstation

Affordable performance and flexibility, re-defined. Create a totally immersive work environment for those who demand reliability and performance on a budget. Designed for heavy 24 x 7 x 365 workloads, the HP Z230 delivers next-generation processor and graphics technologies in a redesigned, compact yet impressively expandable tower.

HP Z1 Workstation

The new HP Z1 is the world's first all-in-one workstation with an extra-large display that snaps open to let you swap out parts and make upgrades. No tools required. Unleash your creativity with accelerated performance, support for over a billion colours, and HP's world-class reliability. The HP Z1. Advanced design from A to Z.

¹Product images may differ from actual product. ²Not all features are available in all editions of Windows 7. Windows 8 and 8.1. ³System may require upgrade of the operating system to take full advantage of the advantages of Windows 8 and 8.1 functionality. See <http://www.microsoft.com>. ⁴SATA hardware RAID is not supported on new systems. The hardware RAID provides excellent functionality and performance. It is a good alternative to software-based RAID. Please visit <http://www.hp.com/go/raid> for RAID capabilities with Linux. ⁵Each processor supports up to 2 channels of DDR3 memory. To realize full performance at least 1 DIMM must be inserted into each channel. ⁶Intel Core i3 and Intel Xeon processors can support ECC or non-ECC memory. Intel Core i5 and i7 processors only support non-ECC memory.

HP displays

Making a difference with visual solutions of tomorrow, today.

Product image may differ from actual product.

HP displays

HP helps advance the way businesses operate with innovative monitors that can help increase productivity while providing a best investment solution.

Best investment

Designed to optimise your company's total cost of ownership:

- Energy efficiency
- Stability and lifecycle
- Global series
- Expandability
- Support and service

Productivity

Visual solutions to help your company be more productive and efficient:

- Better together hardware solutions
- Software to maximise your monitors' potential and lifespan
- Ergonomics
- Ease of use and set-up

HP ProDisplay P201 20" LED Backlit Monitor

Keep up the good work with solid performance, a stylish design, and environmental features all at an attractive price point with the HP ProDisplay P201 50.8 cm LED Backlit Monitor. Efficiently grow and maintain your business with proven HP quality and reliability, stable lifecycles, HP accessory compatibility, and energy savings. Do more throughout the day and help save more throughout the quarter with a monitor that goes the distance.

HP ProDisplay P221 21.5" LED Backlit Monitor

Keep up the good work with solid performance, a stylish large screen design, and environmental features all at an attractive price point with the HP ProDisplay P221 54.6 cm LED Backlit Monitor. Efficiently grow and maintain your business with proven HP quality and reliability, stable lifecycles, HP accessory compatibility, and energy savings. Do more throughout the day and help save more throughout the quarter with a monitor that goes the distance.

HP displays

HP EliteDisplay E201 20" LED Backlit Monitor

Give your business-critical users the display they crave. The HP EliteDisplay E201 50.8 cm LED Backlit Monitor delivers outstanding ergonomic adjustability and convenient connectivity in a premier, energy efficient design.

HP EliteDisplay E221c 21.5" Webcam LED Backlit Monitor

Connect and collaborate. Locally and globally. Bring the meeting to you. The HP EliteDisplay E221c 54.6 cm Webcam LED Backlit Monitor combines the wide viewing angles of IPS technology with integrated communications technology so it's easy, affordable, and comfortable to quickly connect and collaborate.

HP EliteDisplay E271i 27" IPS LED Backlit Monitor

IPS goes mainstream with the HP EliteDisplay E271i 68.6 cm IPS LED Backlit Monitor, a business-class combination of an extra-large screen, extra-wide viewing angles, and extraordinary comfort.

HP Z Display Z22i 21.5" IPS LED Backlit Monitor

Get outstanding image accuracy, exceptional adjustability, and mission-critical reliability optimised for commercial environments. Built with IPS Gen 2 panels, the HP Z22i 54.6 cm IPS Display delivers power savings over first-generation IPS technology and extra-wide viewing angles that foster collaboration.

HP Z Display Z24i 24" IPS LED Backlit Monitor

Get outstanding image accuracy, exceptional adjustability, and mission-critical reliability optimised for commercial environments. Built with IPS Gen 2 panels, the HP Z24i 61 cm IPS Display delivers power savings over first-generation IPS technology and extra-wide viewing angles that foster collaboration.

HP Z Display Z27i

A huge screen, customizable comfort, and wide-angle IPS. IPS goes mainstream with the HP EliteDisplay E271i 27-inch IPS LED Backlit Monitor, a business-class combination of an extra-large screen, extra-wide viewing angles, and extraordinary comfort.

HP HDMI to VGA Adapter

The HP HDMI to VGA Adapter maximises the display functionality of your HP Ultrabook™ or Notebook PC by converting the HDMI output signal to an analog VGA input for easy connecting to an external VGA display for dual-display productivity.

Creative Recon3D PCIe Audio Card

Creative's latest audio revolution, Sound Blaster Recon3D PCIe Audio.

HP BA06 Long Life Battery

The HP BA06 Long Life Battery is a slice battery that slides onto the bottom of the HP EliteBook Folio 9470m Notebook PC to help you be productive longer than using the primary battery alone.

Product images may differ from actual product. Actual battery life will vary with use and environmental conditions. The maximum capacity of the battery will naturally decrease with time and usage. *Laser sensor is not guaranteed to work on glass surfaces.

Product images may differ from actual product.

HP accessories

HP Business Slim Top Load Case

Comfortably carry your notebook and everyday accessories in the stylish and durable HP Business Slim Top Load Case.

HP Professional Slim Top Load Case

Designed for business pros who want a protective laptop case without the bulk, the HP Professional Slim Top Load Case delivers ample storage in a stylish, slim design.

HP Professional Top Load Case

Offering ample storage space for folders and other documents alongside a laptop up to 39.62 diagonal centimeter (15.6"), the HP Professional Top Load Case holds everything you need for a busy day in and out of the office or around the world.

HP Business Nylon Carrying Case

HP Business Nylon Carrying Case is designed inside and out with features that will be appreciated by a mobile traveller. Made from durable nylon, the case offers a large top load compartment with plenty of room to organise materials, plus store business cards, cell phones and other supplies. It can carry a notebook up to 40.89 cm (16.1") and also includes a neoprene pouch for a mini or thin-and-light notebook up to 30.73 cm (12.1").

HP Professional Leather Case

Designed for business while combining style and function in a protective laptop carrying case, the HP Professional Leather Case has a polished exterior that complements its functional yet richly finished interior.

HP Professional Backpack Case

Combining comfort and function, the HP Professional Backpack Case is designed to hold a laptop up to 39.62 diagonal centimeter (15.6") plus everything you need for a busy day or a week on the go.

HP Business Nylon Backpack

HP Business Nylon Backpack offers a sturdy, all-purpose backpack for mobile professionals and students alike. Constructed from durable nylon, with extra padding in the back and shoulder straps, it is designed with comfort in mind. A foam padded handle also makes it easy to lift or carry. Easily transport a notebook up to 43.92 cm (17.3"), or store a mini or thin and light notebook up to 30.73 cm (12.1") inside a neoprene built-in pocket.

HP Deluxe 4 Wheel Roller Case

The HP Deluxe 4 Wheel Roller is a durable nylon case designed to carry everything you need for an overnight trip. An outer compartment features divided sections to store important files and business essentials. The case's main compartment includes padded pockets that can hold a laptop up to up to 43.94 diagonal centimeter (17.3") in size, plus additional cables and cords. The third, oversized compartment provides plenty of room for a change of clothes, shoes and personal toiletries. A retractable handle locks in two convenient heights.

HP accessories

HP Essential Top Load Case

The HP Essential Top Load Case is a light and durable notebook carrying case that includes high-density foam cushioning to protect your notebook up to 39.62 diagonal centimeter (15.6") while traveling between meetings or in and out of the office.

HP ElitePad Case

Sophistication. Durability. We've got you covered. Carry your HP ElitePad in an executive-style case that doubles as a stand on a desk or in any other work area.

HP Essential Backpack

The HP Essential Backpack is a great notebook carrying solution for both students and business professionals.

HP ElitePad Rugged Case

Help protect your HP ElitePad wherever you work with a business rugged designed for use in busy, high-traffic environments.

HP Display and Notebook Stand

The perfect home base for the business traveler who is constantly on the go – turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display). The adaptable design of the HP Adjustable Display Stand can accommodate a range of notebook sizes with the innovative adjustable shelf.

HP 2012 230W Advanced Docking Station

HP offers a full line of docking stations designed exclusively for select HP Business Notebook platforms so you can maintain the connectivity and comfort of your laptop at a fixed station.

HP 2012 230W Docking Station

HP offers a full line of docking stations designed exclusively for select HP Business Notebook platforms so you can maintain the connectivity and comfort of your laptop at a fixed station.

HP 2012 120W Advanced Docking Station

HP offers a full line of docking stations designed exclusively for select HP Business Notebook platforms so you can maintain the connectivity and comfort of your laptop at a fixed station.

HP 2012 90W Docking Station

HP offers a full line of docking stations designed exclusively for select HP Business Notebook platforms so you can maintain the connectivity and comfort of your laptop at a fixed station.

HP 2570p Docking Station

The HP 2570p Docking Station is designed exclusively for 31.75 diagonal centimeter (12.5") HP EliteBook Notebook PCs, and delivers port replication for even the smallest and lightest HP Business Notebooks.

HP ElitePad Docking Station

Charge your HP ElitePad back at the desk with the HP ElitePad Docking Station, or set up your tablet as a secondary screen and be a master multitasker.

HP 2005pr USB 2.0 Port Replicator

The HP 2005pr USB 2.0 Port Replicator is your go-to, platform-independent hot-desking solution for getting online and immediately connecting to an external display and up to four USB-connected devices—all through one USB 2.0 cable.^{1,3}

HP USB 3.0 3005pr Port Replicator

Use the included USB cable to easily connect to all of your peripherals for a complete desktop setup.

NVIDIA Quadro K3000M Graphics Card

The NVIDIA Quadro® K3000M graphics board (N14E-Q1) is a graphics processing unit (GPU) module designed using the MXM™ version 3.0 Type B specification.

NVIDIA NVS 310 512MB Graphics Card

Expand and enhance graphics performance, and support a dual-display environment with the NVIDIA® NVS™ 310 512MB Graphics Card—ideal for your small form factor business PC.

HP UltraSlim Docking Station

Designed exclusively for UltraSlim HP EliteBook Notebook PCs, the HP UltraSlim Docking Station expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock.

NVIDIA Quadro 600 1.0GB Graphics Card

The low-profile NVIDIA Quadro® 600 is the newest entry-level professional graphics solution, delivering maximum productivity and flexibility for engineers and designers.

NVIDIA Quadro 2000 1.0GB Graphics Card

The NVIDIA Quadro® 2000, based on Fermi architecture, maximises productivity for engineers and designers by up to 5 times.

NVIDIA Quadro K5000 4GB Graphics Card

The NVIDIA Quadro® K5000 graphics board is a PCI Express 2.0 full-height form factor graphics add-in card based on the GK104 Kepler architecture graphics processing unit (GPU).

NVIDIA Quadro 6000 6.0GB Graphics Card

The NVIDIA Quadro® 6000, part of the newest NVIDIA Quadro® professional solutions, is a true technological breakthrough, delivering up to 5X faster performance across a broad range of design, animation and video applications.

AMD FirePro V3900 1GB Graphics Card

Introducing the AMD FirePro V3900 professional graphics accelerator from AMD. With 1GB of fast DDR3 frame buffer memory, the V3900 is ideally suited for CAD/CAM and DCC (digital content creation) workflows that typically use small to medium sized datasets and require excellent 3D viewport performance.

HP Wireless TV Connect Kit

Wirelessly stream HD 1080P content from your PC to the biggest screen in your home.¹ Watch movies, play games, update Facebook® & Twitter®, Surf YouTube®, Web chat, Share photos. Just one easy connection with HP's WHDI PC adapter² and you're ready to play.

HP Executive Tablet Pen

Touch. Write. Use it your way. Write messages and notes in your own handwriting directly on your HP tablet PC screen. Then save it—or convert it to typed text to use in other applications.

HP Wireless Keyboard and Mouse

The HP Wireless Keyboard and Mouse places advanced functionality and ease of operation at your fingertips. Stop hiding wires and regain a clutter-free work space with a cordless keyboard, cordless laser mouse and USB wireless receiver in a single package—built with the environment in mind.

Product images may differ from actual product. ¹Compatible networked content (HDMI) will not be displayed on device connected through the port replicator (such as external display, display extension, or external). ²The external display with 1920 x 1200 resolution is available when connected through a USB 3.0 connection from the notebook to the port replicator. 2560 x 1600 resolution is available on a single external display connected through USB 3.0 connection from the notebook to the port replicator. ³1920 x 1200 resolution is available on a single external display when connected through USB 2.0 connection from the notebook to the port replicator. ⁴External connection required.

Product images may differ from actual product. ¹Requires any PC with available HDMI and USB port. ²Requires available HDMI and USB port on PC.

HP accessories

HP 12.5-inch Privacy Filter

HP Privacy Filters help you protect your onscreen data by concealing your notebook screen from viewing by passersby and people seated nearby. The filter diminishes the readability for anyone not seated directly in front of the notebook while maintaining the onscreen resolution for the individual user.

**HP 500GB 7200rpm SATA SFF SED
Hard Drive**

Add a layer of security to your high-capacity workstation storage solution with the HP 500 GB SATA SED HDD, which includes self-encrypting drive (SED) technology that adds authentication parameters to your drive to help protect your data.

HP 160GB SATA Solid State Drive

Solid State Drives (SSDs) are fast becoming a real force with respect to storage in the computer industry. With no moving parts, storage is no longer bound by mechanical barriers to higher performance. HP SSDs for workstations offer overall performance typically beyond that of SAS 15k rpm HDDs (Hard Disk Drives).

HP ElitePad Productivity Jacket

More than a case. It's built-in intelligence. Boost your productivity with a keyboard, two USB ports, SD card reader, and an adjustable stand, all in one.

HP Business 4 Wheel Roller Case

Carry your notebook and all the essentials you need for a day at the office or an overnight business trip with the stylish and durable HP Business 4-Wheel Roller Case, the case with the space for everything.
